WELCOME

The tenth edition of the now classic XCM event on the international scene is here, Costa Blanca Bike Race! In this special edition, we have selected the best trails on the Costa Blanca and, as usual, we will feature the best environment, climate and services in the world to make your experience unforgettable.

The CBBR reaches its tenth edition thanks to the Exmo. Calpe City Council thanks to the support of the Department of Tourism of Calpe and of the Sports Consellería de la Generalitat Valenciana. Likewise, the Exma. Alicante Provincial Council from its sports and tourism departments, they once again provide us with the necessary support to make the first UCI stage race of the season possible. We cannot forget the collaboration of the Exmo. Altea City Council and its Sports Department. Along these lines, the Exmo. Benissa City Council and the Benissa Sports Department have provided fundamental support. Also essential for the CBBR to see the light are the municipalities of the White shore who continue to support the CBBR year after year. Callosa d'en Sarrià, Benidorm, Alfas del Pí, Lliber and Xaló, with the incorporation this year of Senitja, will complete the scene of our tenth anniversary.

In this edition we continue with Calpe as the starting and finishing point of the three marathon stages and the AR Diamante Beach & Spa as the nerve center, headquarters of the CBBR organization and paddock. As official accommodation that of Hotel AR Diamante, will offer us the ideal complement for the hard days of cycling, with top-class accommodation, an exceptional buffet and perfect facilities to recover from the hard days of the CBBR.

Finally, thank our sponsors for the support without which this would not be possible. Faster Wear, Hyundai Leuka Car, Orbea, Fanté, Five Continents Travel, Novacare, X-Sauce, Rothar Weels, Toteemi, Coca Cola, Mercalicante and the collaborations of Migout, Cycling Map and SeriGrafic.

Welcome!

TEAM CBBR

ALCALDESA CALPE

Queridos deportistas,

Es un placer para mí saludarles en nombre del municipio de Calp. Quiero expresar mi satisfacción al dar la bienvenida a la X Costa Blanca Bike Race, un evento pionero que representa una magnífica oportunidad para que profesionales y aficionados disfruten de la emoción de esta competición por etapas.

Como alcaldesa, es un honor ver cómo nuestro municipio se convierte en el escenario perfecto para esta innovadora carrera, la primera de su modalidad en el calendario Unión Ciclista Internacional (UCI). El entorno privilegiado y el excepcional clima de Calp ofrecen un ambiente ideal para la práctica del MTB y brindan a los participantes la oportunidad de vivir una experiencia inolvidable.

Ya sea que participen de forma individual o en pareja, la Costa Blanca Bike Race representa el primer reto del año y promete ser una ocasión única para medir fuerzas y crear recuerdos inolvidables.

Les doy la más cálida bienvenida a todos los participantes y visitantes, y les deseo mucho éxito y diversión durante este apasionante evento.

¡Que disfruten de su estancia en Calp y que la Costa Blanca Bike Race sea un motivo para elegir nuestro municipio como destino para futuros eventos!

Atentamente,

Ana María Sala Fernández
Alcaldesa de Calp

CONCEJAL DE MEDIO AMBIENTE DE CALPE

**Saludo del concejal de medio ambiente de
Calpe Pedro Moll Leuchter para la Costa Blanca
Bike Race**

Calpe, 6 de enero de 2024

Desde la Concejalía de Medio Ambiente del Ayuntamiento de Calpe, queremos dar la bienvenida a todos los participantes de la Costa Blanca Bike Race.

Esta prueba deportiva es un evento importante para nuestro municipio, ya que contribuye a promocionar el turismo y el deporte sostenible en Calpe. Sin embargo, también es importante que se realice de forma respetuosa con el medio ambiente.

Por ello, desde la Concejalía de Medio Ambiente, hemos trabajado para que la prueba se desarrolle de la forma más respetuosa posible con el entorno natural. En particular, hemos realizado labores de desbroce, limpieza y mantenimiento de las sendas por donde transcurrirá el evento.

Estamos convencidos de que la Costa Blanca Bike Race puede ser un evento deportivo de primer nivel que también sea respetuoso con el medio ambiente. Por ello, hacemos un llamamiento a todos los participantes para que colaboren en el cumplimiento de estas normas.

En concreto, les pedimos que:

- **Recojan sus residuos y los depositen en los contenedores habilitados para ello.**
- **No abandonen residuos en el recorrido de la prueba.**
- **Respeten la flora y la fauna del entorno.**

Gracias por su colaboración.

¡Que la Costa Blanca Bike Race sea una prueba deportiva inolvidable!

CONCEJALA DE TURISMO CALPE

Estimados participantes de la Costablanca Bike Race,

Es un honor dirigirme a vosotros en esta edición. Aprovecho estas líneas para extenderos un cordial saludo y expresaros nuestra gratitud por ser parte de este emocionante evento.

Calp, es conocido por sus playas y su paisaje presidido por el Peñón Ifach, pero también es un destino incomparable para los amantes del ciclismo. La Costablanca Bike no solo es una competición, sino también una oportunidad para explorar las bondades del cicloturismo en Calp. La combinación de desafiantes rutas ciclistas y la espectacular belleza natural de Calp hacen de esta experiencia una verdadera joya para los entusiastas de la bicicleta.

Durante este evento, no solo tendrán la oportunidad de competir en emocionantes carreras, sino también de sumergirse en la rica cultura local, degustando nuestra exquisita gastronomía marinera, visitando nuestro patrimonio cultural y disfrutar de la hospitalidad que caracteriza a Calp. Además, el cicloturismo en esta pintoresca localidad les permitirá descubrir rincones inexplorados y vivir momentos inolvidables sobre dos ruedas.

Espero que disfruten de cada pedalada, que encuentren inspiración en los hermosos parajes que nos rodearán y que creen recuerdos duraderos durante su estancia en Calp.

Por último, desear que esta edición de la Costablanca Bike Race sea un éxito rotundo y que cada kilómetro recorrido sea una experiencia inigualable.

Cordiales saludos,

Mireia Ripoll Brarber

Cancejal de Planificación turística del Ayuntamiento de Calp.

TERCER TENIENTE DE ALCALDE

Estimados compañeros, amigos y amantes del deporte ciclista,

Es un placer para mí, como responsable del Área de Deportes, daros una cálida bienvenida a nuestro maravilloso pueblo de Calp. Estamos encantados de ser los anfitriones, un año más, de la prestigiosa Costa Blanca Bike Race, un evento que no solo pone a prueba vuestras habilidades ciclistas, sino que también celebra la pasión por la bicicleta y la belleza de nuestra comarca y nuestro entorno.

Calp és un lloc únic, amb la seua combinació d'espais costaners impressionants i paisatges muntanyosos que ofereixen un escenari perfecte per a aquesta competició de mountain bike i cross-country d'elit, probablement, la competició més important de la península. Agraïm als participants, als organitzadors i a tots els qui fan possible aquest esdeveniment que converteix Calp en el centred'atenció dels aficionats al ciclisme.

A los participantes, desearos mucha suerte y éxitos, esperemos que el tiempo sea magnífico. A los espectadores y vecinos, os invitamos a animar y disfrutar de la emoción que este evento aporta a nuestro pueblo. Y a la organización, gracias por el magnífico trabajo y por apostar por Calp y nuestra comarca una vez más.

Que la Costa Blanca Bike Race 2024 sea un recuerdo imborrable para todos y todas.

Saludos.

Ximo Perles

Regidor d'Esports, Ajuntament de Calp.

COLLECTION

OF BIBS

Registration and bib collection will take place at the Hotel AR Diamante from the **Wednesday, January 24, starting at 11:00 a.m.** and according to the schedule established in the agenda.

The bib numbers will be assigned by category and according to the ranking of the latest UCI update.

During registration, all participants will be given an identification bracelet, which they must wear at all times during the competition days. Here you can also collect the accreditations for the technical areas and refreshment stations of the stages, without which access to these areas will not be permitted.

The athletes housed in the **Hotel AR Diamante**, they will wear the bracelet that will identify them as staying at the headquarters Hotel and official accommodation, in addition to the registration bracelet for the competition.

BRIEFING

Each day of the competition, and from Wednesday, January 24 to Saturday, January 27, you will have an explanatory technical briefing for all participants. It will be mandatory for professional team technicians.

All changes will be announced on the secretary's notice board, located in the hall of the **Hotel AR Diamante**.

It will be the responsibility of the teams and in general of the participating bikers to be informed of everything that happens in the competition.

The official website and social networks will be the official digital media through which notifications and last-minute changes that occur will be carried out.

Website: <https://www.fivecontinentsrace.com/>

Facebook: <https://www.facebook.com/costablancabikerace/>

COMPETITION PROCEDURES

This competition follows the specific regulations of **Costa Blanca Bike Race 2024**. For what is not contemplated in these regulations, we will base ourselves on the general regulations of the UCI and the specific MTB regulations of the UCI.

After each stage, the results of the stage, the CBBR general classification and the starting lists for the next stage will be published in print and digital media.

There will be different starting boxes depending on the general classification of the competition. The first stage will be carried out in order of category and number, followed by the category participants in pairs.

The start of all stages, except the time trial, are in a platoon. The start of the time trial is carried out in the reverse order of the general classification. Each participant or pair will start with a difference of thirty (30) seconds or one (1) minute, or as established at the time by the UCI marshals.

The starting grid opens twenty (20) minutes before departure time. For the time trial stage, each participant must be prepared to start with this advance notice.

The organization will enable 4 starting grids based on the provisional general classification of the stage. These grids correspond to:

- » Elite UCI runners
- » Master 30 and Master Women
- » Master 40 and master 50
- » Master 60 and male, female and mixed couples.

Five (5) minutes before the start, no participant is allowed access to the grid, and they must place themselves in the final part of their starting group.

No participant may start once the official start has been given, unless authorized by the stewards. Participants who start after that time will be considered DNS (Did Not Start).

Each passage control, technical area or supply station has a maximum passage hour, at which time the biker will be informed. These times can be seen on the stage route meter, taking as reference the slowest average speed established.

Any external help means the disqualification of the participant. Aid outside the technical areas is not authorized and means disqualification.

Accreditations to provide support in the technical area must be requested from the competition secretary. Unauthorized people and vehicles will not be able to access the technical areas.

For participants in pairs, in the event that one of them is disqualified, the other may continue participating out of classification, as long as it does not influence the competition.

WWW.X-SAUCE.COM

MARKS

The race will be marked with directional arrow signs and confirmation ribbons. It is recommended to use a GPS device to follow them. The organization will provide the tracks in electronic format on January 6, 2024.

Every ten kilometers, the distance to the finish line will be indicated. In the last kilometer there will be a mark indicating this point.

The tape used in each stage will be a different color to avoid confusion. Although the marking of each stage will be eliminated at the end, unforeseen events can always arise. To do this, it will be necessary to differentiate the color of the marking of each stage, remaining as follows:

- » Stage 1: RED AND WHITE
- » Stage 2: RED AND WHITE
- » Stage 3: BLACK AND YELLOW
- » Stage 4: BLUE AND WHITE

PROVISIONS AND AREAS TECHNIQUES

The refreshment areas are properly signposted along the route. At these points you will find everything you need to meet your needs in terms of nutrition and hydration.

The technical zone points will be the only points where assistance and provisioning will be allowed.

At all points there will be areas for the teams to park during their attendance. Please do not leave the vehicles where it may cause extra inconvenience to people not involved in the competition. Likewise, leaving vehicles in a way that hinders ambulance access may be sanctioned by the commissioners.

ONLY MECHANICAL PERSONNEL AND/OR ASSISTANTS WHO HAVE BEEN ACCREDITED WILL BE ABLE TO ACCESS THESE AREAS. This accreditation can be obtained at the competition secretariat during the collection of numbers.

STAGE INFORMATION

The competition is held in four (4) stages in Full CBBR mode and two (2) stages in CBBR Half mode, whose headquarters and stages are:

- » January 25, 2024 - Stage 1 (Full) - Calpe-Calpe
- » January 26, 2024 - Stage 2 (Full) - Altea-Serra Gelada
- » January 27, 2024 - Stage 3 (Full and Half) - Calpe-Calpe
- » January 28, 2024 - Stage 4 (Full and Half) - Calpe-Calpe

GENERALITIES OF ALL STAGES

- » The route is duly marked with signs, especially at dangerous points, such as crossroads, road intersections or streets.
- » The route is open to traffic, but properly controlled. Runners must follow the instructions of traffic authorities and drive with caution. On Spanish public roads, cyclists must stay on the shoulder of the right lane. On tracks, it is advisable to drive on the right side.
- » The route includes demanding climbs and technical descending sections. It is the participant's responsibility to decide if they can overcome it on the bike.
- » During the route, two types of controls are established: passage control (CP) and intersection control (IC). On all routes there are between 6 and 10 checkpoints. Failure to pass through any of the checkpoints will result in disqualification from the stage classification, and may continue in the race as a DNF.
- » At checkpoints, a steward writes down the participant's number and time. Skipping a passing control means disqualification.
- » Failure to follow the instructions of an intersection control means disqualification.
- » Abandoning the route marked by the organization means disqualification.

STAGE 1. CALPE – CALPE

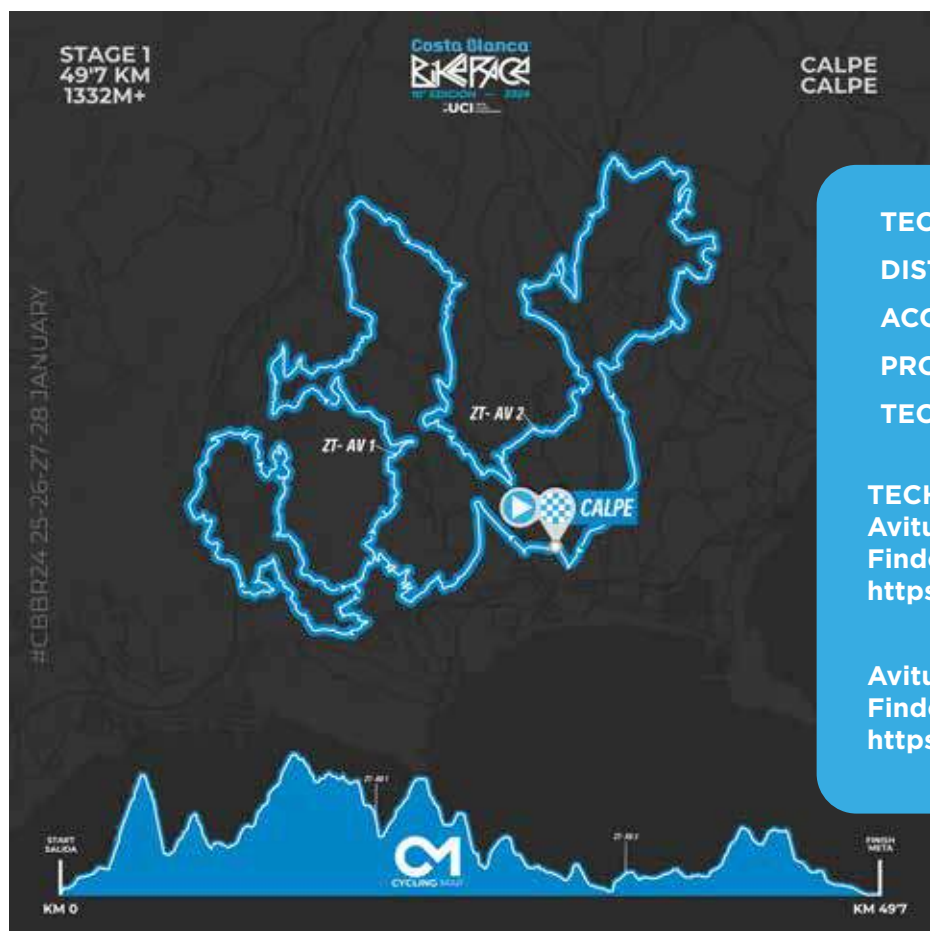

The exit of this stage will be neutralized by its transit through the town of Calpe until kilometer 1,850 approx. where the output will be launched. The closing of the stage is scheduled for 3:00 p.m. at the finish line.

In this stage you will enjoy the 100% Calpe territory, with its tough climbs and technical descents, adorned with the Oltá pine forest and the incredible views of the sea and the Peñón de Ifach.

POINTS AND TIMES OUT OF CONTROL

TECHNICAL ZONE AND PROVISIONING 1. 12:30 HOURS

AWARDS

DATE: 28/01/2024

HOUR: 14:30 H.

PLACE: CALPE CREATIVITY PARK.

**AWARDS CEREMONY FOR STAGE 4 AND
THE FINAL GENERAL OF CBBR FULL AND CBBR HALF**

DORSALES

COSTA BLANCA BIKE RACE FULL (4 STAGES).

The assignment of numbers will be established by UCI ranking and by order of registration in categories.

COSTA BLANCA BIKE RACE HALF (2 STAGES).

The assignment of numbers will be established in order of registration in categories.

TO TAKE TIMES, TRANSPONDERS WILL BE USED, WHICH MUST BE PLACED ON THE FORK OF THE BIKE AS SHOWN BELOW:

The device will be delivered immediately after crossing the finish line of the last stage. If you withdraw before finishing, it is the participant's obligation to return said device to the organization, being penalized €75 by the timing company in case the transponder is not returned.

This system allows them to track each step through the checkpoints through the web, thus allowing the development of the stage to be followed almost in real time. To access race information follow the following link: <https://my.raceresult.com/272973/>

CIRCUIT SIGNALING

The routes will be completely signposted, but the organization recommends that you take the track of each stage. Once the control times have ended, it is likely that signage and volunteer personnel will be removed.

During the tours you will find the following signs.

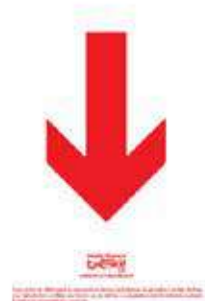

**ADDRESS
DIRECTION**

**WRONG DIRECTION
WRONG WAY**

**DESPACION
SLOW**

**DANGER
CAUTION**

**VERY DANGEROUS AREA
EXTREME CAUTION**

CIRCUIT SIGNALING

Each day a different colored ribbon will be used. For Stage 1 on **Thursday the 25th, white and red** tape will be used. In the same way for the opposite story on **Friday the 26th.**

On **Saturday, January 27**, corresponding to Stage 3 of the CBBR Full and Stage 1 of the CBBR Half, **black/yellow** marking tape will be used.

Finally, the last stage, on Sunday, **January 28, blue/white** tape will be used.

BIKER BAG

The Costa Blanca Bike Race biker bag, for both the Full and Half, contains the following items and/or services.

- » Right to compete in Full or Half, according to previous registration made
