How to Reach:

La Thuile is just a 1 hour and 40-minute drive from Turin and 2 hours from Milan airports. It is located only 15 kilometers (25 minutes) from the Morgex motorway exit, less than an hour from Chamonix (France), and 90 minutes from Geneva (Switzerland) via the Mont Blanc tunnel.

Please follow the directions on Google Maps through this link to reach the Hotel Planibel reception, where you can collect your room keys and parking access.

Arrival Registration at Race Office:

Upon arrival at the Planibel Hotel reception, please proceed to the Race Office on the same floor (following the information boards). At the Race Office and Team Captain Hall, you will receive your parking pass, accreditation, and the keys to your assigned ski room space.

Please note, a €50 cash deposit is required for the key.

Room Allocation:

The Hotel Planibel reception is open from 10.00 am till late. You will be directed to your rooms according to the plan agreed upon with our accommodation team in compliance with FIS regulations.

Gym and work spaces:

additional spaces can be allocated to teams, if requested via entry form before the deadline, on a first come first served basis until capacity.

Parking:

Your designated parking space is at Parking Montrosset. After receiving your parking pass along with a parking access card (max 3 per team based on registered staff), you are free to move in and out as needed throughout the week. You will require the parking access card to enter and exit, this card will be linked to your vehicle so please take good care of it.

Ski Rooms:

The workspaces, allocated according to your entry requests, will be available starting Monday, 10th. To access the ski rooms, follow the signs through the Montrosset covered parking lot, across a corridor, and into the main gym where the workspace is located. Each team will be provided with a key for their designated area, which can be used until the final race day, after which the key should be returned to receive the deposit.

Allergies or Special Needs:

If you or your team members have any special dietary needs or allergies, please inform us via your entry details or by replying to this email. It's important for us to have this information in advance to ensure we can properly accommodate your requirements.

Meals:

Lunch at Planibel Hotel will be served between 12:00 PM and 2:30 PM, allowing your team to arrive comfortably after the race. Please coordinate directly with the hotel reception to arrange your table and meal time each day. A designated section of the main restaurant is reserved for the teams. Soft drinks and water are included in your stay, but teams are responsible for paying for wine and other drinks directly to the restaurant staff after each meal.

Team Transportation to the Stadium:

If you require transportation for bags or other materials to the finish area in the morning, please let us know. The race office and Finish crew will set up special shuttles transport between 7:00 AM and 9:30 AM to assist teams with transporting their materials to the mixed zone.
